

## Business, Medical, Personal Tourism

### Business

BMP Tourism manages your business tourism needs from start to finish. No matter where you're traveling within the United States, BMP has you covered. We'll ensure you to have access to everything you need, including business services (internet, phone, fax), accommodation that's comfortable and convenient, plus lots more.

A BMP interpreter can also be on hand for the duration of your stay to help you overcome the language barrier and maintain the ultimate professional presentation.

BMP has years of experience managing health-related trips to the United States. When you're battling an illness or dealing with an injury, we know you can barely get a good night's sleep, let alone find time to schedule appointments, and find the best possible health care to meet your needs. At BMP, we understand the pressure you're under. That's why we offer our Medical Tourism Services, taking that considerable weight off of your shoulders.

We can navigate the medical world for you, taking care of your every need. When you put BMP experts to work, you get a personalized medical schedule with even the smallest details taken care of. Even better, we create a personalized portal for each person in your family, giving you 24/7 access to your schedule and medical records so you're never out of the loop. We'll:

- Interview physicians to find the right one for you
- Schedule and confirm all appointments
- Follow-up on all medical testing
- Provide drivers and transportation to appointments
- Organize all of your travel and accommodation needs

We specialize in the provision of medical liaisons services for Middle Eastern residents looking for assistance in the United States but we can provide quality medical liaison services for anyone interested in visiting the United States for medical treatment. Personal

If you're visiting the United States for personal reasons, visiting family or enjoying some quality time to yourself, BMP is ready to offer a guiding hand. With our range of services, you overcome the English language barrier with your very own interpreter and organize your entire itinerary, including:

- The best accommodation to fit your budget and dates...
- Cost-effective and convenient transportation during your stay...
- Reservations to eat out at the best places in your location...
- Age-appropriate activities planned for your kids...
- And all the information you need to enjoy the very best tourist attractions, whatever part of the States you choose to visit...The options are endless. Please contact us today so we can begin creating a personalized program for you and your family. It really can be that easy.
